ATTENTION-STUMP SPEAKERS! Democratic Speaker's Hand-Book! Every Democratic speaker should have one. Every Democratic editor should have it. Every Democrat should have it.

Speakers and editors of all parties should have it. This, the most complete politi-cal which has ever been gotten up, has the existing Presidential canvass. It supersedes entirely the use of the old-fash-oned scrap-books, and the bulky auhorities which, of necessity have had to be carried about by our orators. It con-tains every thing necessary under one cover. It is uncompromising in its assaults on Radicalism, and perfect in its defense of the Democracy.
